Investment Objective

The Fund has a targeted maturity of 5 years, after which it is liquidated, and the money is credited to the unitholders. Its objective is to achieve a return in a 5-year horizon, from income and capital appreciation, mainly through investments in Greek bonds or in bonds that have exposure in Greece.

Investment Policy

The Fund invests its assets mainly in Greek government bonds and corporate bonds of companies based or operating in Greece with an average maturity of approximately 5 years. Investor Profile

The Fund is mainly suitable for investors with a 5-year horizon who expect income from a diversified bond portfolio consisting mainly of Greek bonds or corporate bonds of companies based or operating in Greece and are willing to accept a higher level of investment risk.
