Investment Objective

The objective of the Fund is to achieve a return based on its investment policy, over the medium to long term, which derives through investments in a diversified conservative portfolio of bonds and equities of the domestic market.

Investment Policy

The Fund invests exclusively in stocks, corporate bonds, and/or Greek government bonds that are listed or traded on regulated markets or multilateral trading facilities operating in Greece. The Fund invests at least 10% of its net asset value in stocks and at least 10% of its net asset value in bonds. The maximum amount of investment in stocks or bonds is not allowed to exceed 65% of its net asset value. Specifically for 2026, the Fund intends to invest most of its assets in government bonds, stocks with high dividend yields, in the banking industry, and in energy and refining companies.

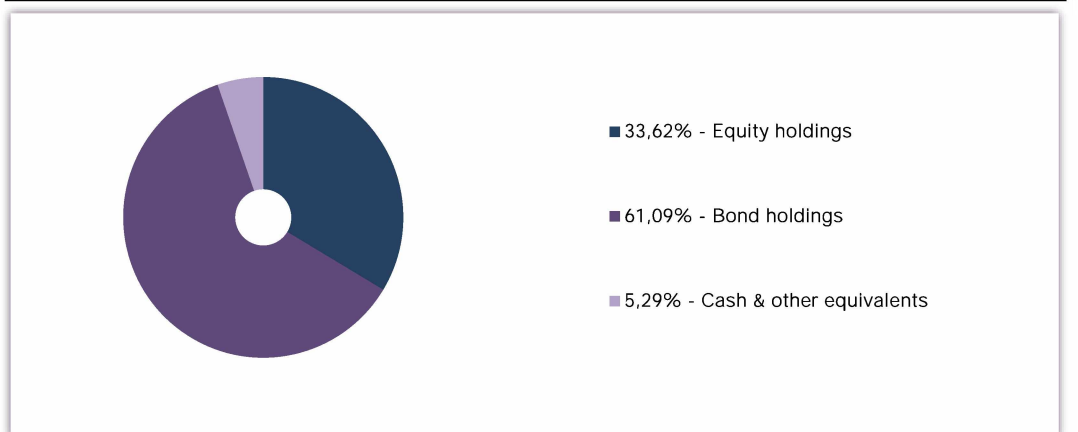

Dividend Policy

The Fund intends to distribute annually to its unitholders, as a dividend, the total proceeds from interest and dividends, as well as the profits from the sale of its assets, having previously deducted the total expenses and any capital losses of the financial year, as mentioned in article 13 of the Regulation and the Prospectus.

Investor Profile

The Fund is characterised by moderate investment risk and is addressed mainly to medium to-long term investors seeking capital appreciation and income through a diversified conservative portfolio of bonds and equities of the Greek market.
